

Angel Edward Barrientos

July 15, 1988 - April 3, 2026

Angel Edward Barrientos, 37 years young, died on April 3, 2026 at Sharp Hospital due to a rapid progression of Cancer. He was taken from us shortly after his baptism where he placed his life in God's hands, the last place he stepped foot after being admitted to the hospital. He is survived by his loving wife Melissa and 5 beautiful children Azalea, Alyssa, Mia, Marvin, and Liam.

Graduating from SD City College he went on being a passionate football coach. He worked in different roles of education though being a mentor was something he did in and out of work, positively making an impact on others around him. Angel had many aspirations growing up and stood on what he believed in. He rose to become a Correctional officer and was a very hard worker. As tough and strong as he was, he was also a soft, goofy, loving, and caring man, husband, father, son, and brother. Angel was a very humble, kind, and loving human being and friend with a lot of heart to give.

Angel loved music and enjoyed blasting it in his car cruising with family. He

was a fun guy, he loved comedy, a good laugh and making jokes. He actively enjoyed Fishing, Football! And Church. His children made him happy and cheerful, they were what motivated him, made him more conscientious, and reflect on life. His wife and kids were his reason for so many things. It cheered him up to see people grow up and do good in the world, encouraging others to make positive choices and take risks. His favorite things were coming home to Melissa's homemade meals and Anime- My Hero. He was proud to have beaten cancer twice, there was nothing that was going to get in the way of what was meant for him. He fought his challenges and also fought to be where he was and who he was because he knew nothing comes easy, he worked hard and encouraged others to do the same. He enjoyed a good challenge but most importantly enjoyed life.
