

## Jacob B. Rice

January 27, 1998 - February 28, 2026

Jacob B. Rice Jr. was born on January 27, 1998, in San Diego, California, and was raised in Imperial Beach, California. Jacob was known for his kind heart, loyalty, and deep love for his family and friends.

He graduated from Mar Vista High School and went on to proudly serve his country in the United States Marine Corps. After his service, Jacob built a beautiful life with his high school sweetheart, Claudia. Together they created a loving family and were blessed with two beautiful daughters who meant the world to him.

Jacob's life was taken from us far too soon, leaving an immeasurable void in the hearts of all who knew and loved him. His strength, laughter, and love will always be remembered.

Jacob is survived by his loving wife, Claudia, and their two daughters, Alexandra and Arianna. He is also survived by his mother, Michelle Hanson, and his father, Jacob Rice.

He leaves behind his siblings Jalyse, Jahzel, Adrian, Aden, Ezra, and Ember, as well as his grandparents Eileen, Grace, and Don. He is also lovingly remembered by his uncles Gilbert, Willie, and George, along with many extended family members and friends who will carry his memory in their

hearts forever.

Jacob will always be deeply loved and never forgotten.

“Smell the sea and feel the sky, let your soul and spirit fly.”

“ Jacob you were quiet, and in that quiet was a safe space for everyone who loved you and was loved by you. I am so deeply thankful for the time we got to spend together and for the love we shared. You and Claudia making it to my & Andrew's wedding meant to much because I know it wasn't easy for you guys with a new baby, but now those memories mean so much more. I already miss you and will always have a place for you in my heart until we meet again. Love you cousin, rest peacefully knowing you are loved and will never ever be forgotten.

“ Jacob Rice Jr was the best son any mother could ever ask for. His unconditional love for his siblings showed the very first second his first sister Jalyse was born. He wouldn't let her out of his sight. He always wanted to take care of her hug her and love her. When his second sister Jahzel was born he did the exact same thing with her he would never let her down always wanted to carry her everywhere, and when Adrian was born he instantly got a new best friend. Jacob had such a huge heart. Everybody could see. Jacob was a wonderful human who was loved by so many. He was a okay, no problem kind of guy, always going out of his way for everyone. Jacob was blessed to have 2 beautiful daughters and a beautiful wife who he cherished with every ounce of love that he had in him. I will always keep you in my heart and in my daily life. I love you son, till I see you later ❤️🕊️🕊️
