March 12, 1933 - May 10, 2026

Pamela Barbara Koch Connick, born March 12, 1933, passed away in Imperial Beach, CA, on May 10, 2026, of natural causes. Her memory is cherished by her surviving children, Kim Portney and Murray Connick, granddaughter Tamra Lett, sister Sandra Dedina, and friends new and old from San Diego and her longtime residence in Palm Springs. Pamela is remembered as a fierce "closer" in the real estate industry, and an even more fervent advocate for her family. Pamela left an indelible mark on those she loved, supporting Tamra's figure skating career and her pursuit to become a lawyer, and Kim's goals of working as a Registered Nurse and showing horses. She enjoyed holidays spent with family, shopping with the girls, vacations at California beaches, and fine dining. Anyone wishing to share memories or contact her surviving relatives is welcome to email Tamra at [tnlett@gmail.com](mailto:tnlett@gmail.com). The family intends to hold a small celebration of life in Rancho Mirage at a time to be determined.
