

## Reika Laskowski

June 7, 1979 - July 4, 2025

Reika Laskowski, 46, after a long fight with cancer, passed away peacefully, leaving behind a legacy of love and happiness. Reika was an inspiration to everyone who knew her. Her love for life was endless, but her love for her family will last forever. She was a true ray of sunshine, who brightened every place she went.

Reika was a devoted daughter, wife and mother. Family was everything to her, and she poured her heart into every role she played. Her proudest joy and brightest light were her two sons Alexander and Miles, who brought the inspiration to live life to the fullest. She is also survived by her Mother Akiko Sato and her loving husband Joshua, who carries forward Reika's strength, warmth, and fierce love.

To know Reika was to know a true fighter. Her passion for life made her endure beyond belief, and her presence made people feel seen, heard, and loved. Her memory will live on in the countless lives she touched with her compassion and selflessness.

She will be deeply missed, forever loved, and never forgotten.
